**RESPONSE TO APPLICANT QUESTIONS
Residential Substance Abuse Treatment Program
NOFO # 1430-2557**

Posted: July 13, 2023

1. The opportunity says there is a matching requirement, but don't see how much. Can you please clarify. The match requirement is 25%. Details about the match requirement can be found on page 14 of the NOFO.
2. The opportunity talks about a "partnership", is it that mandatory we set up an MOU prior to applying? It is encouraged but not required to have the MOU in place before applying.
3. Can you please clarify if this grant is for "in-house" jail residential treatment or can we utilize the grant to pay to place detainees/participants in the program that is an outside inpatient treatment center. The grant is for "in-house" treatment of incarcerated participants.
4. Can you use the grant to pay for medically assisted treatment (MAT) for detainees in jail? Yes, RSAT funding can be used to support MAT programs.
5. On Page 17, the NOFO lists unallowable costs and includes:
"Implementation of a new program involving the use of chemicals"
Can you please define what is meant by "chemicals"? This refers to EPA chemicals, such as those that might affect groundwater, etc.
6. Can a stand-alone not-for-profit apply or just state and local governments? No, this grant is for Illinois local government and state agencies.
