

**ADULT REDEPLOY ILLINOIS (ARI)
TRAINING, TECHNICAL ASSISTANCE AND DEVELOPMENT (TTAD)
NOFO # 2115-0426**

Task	Date
NOFO & Technical Assistance Recording posted	April 20, 2026
NOFO question submission deadline	May 14, 2026
Applications due	5:00 p.m., May 20, 2026
ARI Oversight Board review/approval of recommended designations	June 2026
Performance Period	July 1, 2026, to June 30, 2027

CHECKLIST

Prior to applying:

- [Register with the System for Award Management \(SAM\), Obtain a Unique Entity ID #](#)
- [Complete registration in the Grantee GATA Portal](#)
- [Obtain Single Sign-On for application submission in AmpliFund](#)
- Maintain in “Good” standing with all GATA pre-qualification requirements

AmpliFund Upload Checklist:

- **Implementation Schedule**
- **Goals and Performance Metrics**
- **Budget and Budget Narrative (upload as Excel spreadsheet)** – using Excel spreadsheet_template provided by ICJIA.

Application Submission via AmpliFund

The following process is required:

Step 1: Applying Organization must register in the Illinois Grant Accountability and Transparency Act (GATA) Grantee Portal: <https://grants.illinois.gov/portal/>.

Step 2: Applying Organizations must identify an individual(s) who will submit the application via AmpliFund, this person will serve as the Primary Contact for this application. However, more than one individual can have access to and complete components of the application via AmpliFund. The Primary Contact must submit the applications, including attachments, via Amplifund. To submit an application, go to <https://il.amplifund.com/Public/Opportunities/Details/31ea3ac7-651e-492a-aab6-b42c2110cbbd>.

To be considered for funding, completed applications must be submitted via the above

AmpliFund link by the application deadline of 5:00 p.m., May 20, 2026. ICJIA encourages applicants to review this Technical Assistance Recording for more information on how to apply.

Notice of Funding Opportunity
ADULT REDEPLOY ILLINOIS (ARI)
TRAINING, TECHNICAL ASSISTANCE AND DEVELOPMENT (TTAD)
NOFO # 2115-0426

A. Program Description

The [Adult Redeploy Illinois Program \(ARI\)](#) program is seeking proposals from one or more entities to provide training, technical assistance, and development (TTAD) services to ARI grantee sites operating local alternatives to incarceration across the state of Illinois. A total of \$500,000 will be awarded to support this funding opportunity.

The ARI program administered by the [Illinois Criminal Justice Information Authority \(ICJIA\)](#), a state agency dedicated to improving the administration of criminal justice. ICJIA brings together key leaders from the justice system and the public to identify critical issues facing the criminal justice system in Illinois, and to propose and evaluate policies, programs, and legislation that address those issues. ICJIA’s statutory responsibilities include grants administration; research and analysis; policy and planning; and information systems and technology.

ARI was created by the [Illinois Crime Reduction Act of 2009 \(Public Act 96-0761\)](#) (CRA) to “increase public safety and encourage the successful local supervision of eligible offenders and their reintegration into the locality.” (730 ILCS 190/20 (a)).¹ Under the CRA, ARI provides financial incentives (grants) to counties, groups of counties, and judicial circuits to increase effective community-based programming for individuals with probation-eligible offenses who are at moderate to high risk of reoffending and are facing prison. In exchange for the funding, jurisdictions agree to reduce the number of individuals they send to the Illinois Department of Corrections (IDOC), with potential penalties if they do not meet the reduction goal. Research has shown that community-based alternatives to incarceration can reduce recidivism, increase public safety, and decrease costs to taxpayers.

The benefits of ARI-funded programs are clear. They provide justice-involved individuals with community supervision, rehabilitative services aligned with their needs, and other supports, and the chance to avoid incarceration. Led by the Oversight Board, which adopted a racial equity lens in August 2021, ARI works with grantees to ensure equitable access to programs and identify and address obstacles that hinder this goal.

The commitment to equity is centered in ARI’s mission, vision, and values.

¹ ARI uses person-centered language in carrying out its statutory duties. All uses of “individual” in this NOFO are interchangeable with the term “offender” in the CRA. ARI encourages all grantees to use person-centered language in developing and implementing their programs.

Mission

The mission of ARI is to safely reduce prison use by building local systems that divert individuals from a prison sentence into more cost-effective programs that promote their reintegration into the community.

ARI provides funding and technical assistance to Illinois communities to establish a continuum of sanctions and treatment alternatives that effectively address social determinants of crime and incarceration, and that promote equity within the justice system.

Vision

An equitable justice system that protects public safety and increases access to interventions, allowing people to avoid prison and lead productive lives in their community.

Values

- Equity
- Inclusion
- Access
- Involvement
- Effectiveness
- Innovation

ARI goals for strengthening communities and supporting individuals

- ❖ Invest in results-oriented local programs that rehabilitate individuals in their community as an alternative to incarceration and prevent relapse and future criminal behavior.
- ❖ Foster a strong, equitable community corrections system through access to interventions that target individual needs and leverage their assets.
- ❖ Support community-led justice efforts that are consistent with ARI values and cost less than incarceration.
- ❖ Generate and collect evidence in support of decarceration efforts.

Section 7 of the Illinois Criminal Justice Information Act grants ICJIA authority “to receive, expend, and account for such funds of the State of Illinois as may be made available to further the purposes of this Act.” (20 ILCS 3930/7(k), (l)). Through state budget appropriations, ICJIA administers the ARI program, providing grants to local jurisdictions to implement evidence-informed prison diversion programs and to organizations to provide training, technical assistance, and development, on behalf of the Oversight Board. The ARI Oversight Board will designate funding to eligible entities through this solicitation.

1. Purpose

The purpose of this funding opportunity is to identify and support an entity or entities that will provide grantees in the statewide ARI network with training, technical assistance, and development opportunities. These services will expand site capacity and effectiveness in delivering evidence-informed local supervision and services to their justice-involved clients in lieu of incarceration and implement the mission, vision, and values of ARI.

This Notice of Funding Opportunity (NOFO) will support ARI's strategic direction by establishing a Training, Technical Assistance, and Development (TTAD) program. The TTAD program will be a collaborative effort of the ARI Oversight Board, sites, staff, clients (as applicable), and other stakeholders. Specifically, the TTAD program addresses ARI's strategic goals to:

- Build capacity for sustainability, innovation, and effective expansion by “conduct[ing] outreach to engage local communities in planning, and support this work through grants, technical assistance and training to stimulate innovation and facilitate development of strategic connections.”
- Identify and replicate evidence-informed policies and practices by “creat[ing] opportunity for program staff, local sites and stakeholders to reflect on practice innovation and evaluation results to strengthen future programming.”

The [ARI Strategic Plan](#) is available on the ARI website.

2. Program Design

This ARI TTAD NOFO is open to an entity or entities to plan, implement, and evaluate a comprehensive, responsive and effective training, technical assistance, and development program for currently 28 ARI grantee sites. These sites operate more than 60 diversion programs in 45 Illinois counties (*Appendix A*).

ARI TTAD services will be provided to grantee sites (local units of government and stakeholders) to build upon site capacity and capabilities in offering community-based supervision and client services in lieu of incarceration. TTAD programming will be delivered via the annual All-Sites Summit, regional trainings and workshops, and one-on-one technical assistance and coaching. Additional TTAD functions include networking/peer sharing activities, a training advisory group, and avenues to gather client input related to program development and improvement activities.

NOFO applicants must describe how they will design and implement a TTAD program plan incorporating the following elements:

Assess and Collaborate

- Assess the TTAD landscape and identify gaps in need, substance, and accessibility by contacting other providers and consumers of training and technical assistance in the field.

- Collaborate with sites, clients (as applicable), and other providers in TTAD program design including through surveys and by regularly convening a training advisory group. Applicants should describe how individuals with relevant lived experience will inform TTAD design, implementation, and feedback (or provide rationale if they are not included).

Implement and Evaluate

- Offer TTAD at different levels to fully serve and meet the needs of all ARI sites over the course of the grant period, including:
 - Network/statewide – annual All-Sites Summit.
 - Regional – trainings and workshops customized for sites.
 - Site – one-on-one technical assistance or coaching, on demand as able.
- Provide at least one training or technical assistance deliverable each quarter. This deliverable may be provided by the funded agency or subcontracted with external subject matter experts. Applicants should also describe the anticipated scale, frequency, and distribution of training and technical assistance activities necessary to adequately serve a statewide network of 28 sites and 60 programs, including how services will be prioritized across sites with varying levels of need. Topics may include, but are not limited to:
 - Assessments and referrals.
 - Cognitive behavioral therapy.
 - Emerging adults.
 - Equity and justice.
 - Fidelity to evidence-informed practices.
 - Performance measurement and data analysis.
 - Program planning, development, and implementation.
 - Recovery capital.
 - Restorative justice.
 - Strengths-based coaching.
 - Trauma-informed practices.
- Employ a variety of training methods for adult learners, including experiential (e.g., social simulation exercises) and different platforms (in-person, virtual, and/or hybrid) based on site preferences and to provide coverage statewide.
- Design TTAD plan to advance ARI's mission, vision, and values. Applicants should describe how they will ensure equitable access to TTAD activities across geography, technology, disability accommodation, and other participation barriers.
- Establish a continuous feedback loop to gather information and input from site stakeholders, community members, and clients (as appropriate).
- Evaluate changes in knowledge, behavior, and practices. Applicants should specify a clear and feasible evaluation approach, including: (1) how data will be collected (e.g., pre/post assessments, structured feedback, or other methods), (2) how data will be analyzed, (3) how changes in knowledge, behavior, and/or practices will be assessed over time, and (4) how findings will be used to improve TTAD delivery and reported to ICJIA and the ARI Oversight Board.

Measure and Report

- Fulfill ICJIA grant requirements related to performance measurement, reporting, and fiscal management.
- Report on progress and challenges, including with presentations to the ARI Oversight Board.
- Describe how performance measurement data will be collected, tracked, and reported in a consistent format over time. Where applicable, applicant should use standardized definitions, categories, and reporting structures to support ICJIA's ability to aggregate and analyze results across sites.

3. Program Requirements

To apply for funds, entities must complete the Program Narrative detailing a TTAD program plan with the following components, at a minimum:

Assess and Collaborate

- TTAD needs assessment and gap analysis for ARI site network.
- Process to gather input from sites and clients (if applicable) on TTAD program design.
- Collaboration with training advisory group and other providers.

Implement and Evaluate

- Implementation schedule with at least one TTAD deliverable each quarter, with a focus on the annual All-Sites Summit and regional trainings (at least two).
- Annual training calendar posted online.
- Tools to assess and evaluate TTAD effectiveness, including how participation, satisfaction, and changes in knowledge or practice will be measured using consistent and clearly defined methods that can be reported across sites.

Measure and Report

- Performance measurement around goals and objectives.
- Progress reports to ARI Oversight Board and other interested stakeholders.
- Sufficient organizational capacity to meet grant reporting mandates.

Additional requirements related to ARI's mission, vision, and values include:

- a. Equity. ARI grantees must certify that access to program benefits is delivered with inclusive and equitable practices; and that all program planning, implementation, evaluation, and other activities will be designed and executed to ensure equity. Applicants should describe how equity will be embedded across needs assessment, program design, curriculum development, delivery, participant engagement, technical assistance, and evaluation. ARI sites must participate in at least one equity-focused and implicit bias training conducted by ARI's Training, Technical Assistance and Development providers. Additional training and technical assistance will be made available to grantees to further education and understanding of racial and ethnic disparities.

- b. Evidence-Informed Practices. ARI funds must be used to invest in and support effective implementation of local programs, services, and protocols that have been demonstrated by research or show promise to reduce recidivism and that prioritize cultural relevance and responsiveness to the communities they serve.
- c. Performance Measurement. ARI grantees must collect and report performance measurement data quarterly as a condition of funding. When ARI data are submitted, ARI staff analyze and present the results to the ARI Oversight Board and use the information for program administration and reporting to policymakers. All data are required by the deadlines set forth. Incomplete and inaccurate data hinder analyses. ARI staff closely track data submissions for timeliness, completeness, and accuracy in performance measures.
- d. Evaluation. Funded programs must agree to participate in any required external evaluation(s) being conducted to determine the effectiveness of program operations. Funded programs will be required to adhere to data collection policies and procedures that allow ICJIA and the ARI Oversight Board to assess outcome objectives based on program design.

Applicants will be expected to demonstrate how they will design and implement a comprehensive, responsive, and effective TTAD program that serves the entire statewide network of ARI sites (currently 28 sites operating more than 60 diversion programs across 45 counties). Applicants can include subawards and subcontracts to facilitate needed subject matter expertise and geographic coverage.

Applicants will be expected to comply with the rigorous financial and programmatic reporting requirements established by ICJIA, as well as provide ongoing feedback and evaluation information to the ARI Oversight Board, sites, and staff. Applicants should demonstrate adequate organizational capacity, including staff and technology, to meet the goals and objectives set forth in this solicitation.

Applicants must submit a detailed budget and budget narrative with anticipated costs to implement the TTAD program over the grant period. Expenses in the budget will be assessed for reasonableness and necessity in meeting the goals of the TTAD program. Budget categories include Personnel, Fringe Benefits, Travel, Equipment, Supplies, Subcontracts and Subawards, and Indirect Costs. Information on allowable expenses and prohibited uses is included in Section D. 6.

These requirements are included in the scoring criteria.

4. Performance Plan

Funded programs will be required to submit quarterly performance progress reports to ARI/ICJIA that will minimally include the following information based on the objectives that applicant agencies propose in their responses to this solicitation.

Performance measures should be designed to produce clear, consistent, and usable data across grantees. Applicants should define each measure in a way that can be reported

consistently over time and across sites, including how key terms (e.g., “request”, “training”, “technical assistance”) will be operationalized. Applicants are encouraged to prioritize a small number of clearly defined measures over a large number of loosely defined measures.

The tables below must be completed and submitted as part of the application. In AmpliFund, applicants will download the Performance Metrics Chart as shown below and complete and upload it as part of the application packet.

With the overall goal to support the delivery of quality services that benefit ARI clients and improve public safety and public health, applicants should include performance objectives in the left-hand column that demonstrate progress toward the proposed program and administrative goals. Performance objectives should be specific, measurable (according to the performance measures in the right-hand column), attainable, realistic, and timely. Where feasible, applicants should include baseline measures or describe how baseline data will be established to allow for assessment of change over the grant period. Additional objectives and performance measures can be added.

Goal 1: Provide a comprehensive, responsive, and effective TTAD program for and with ARI sites.	
Process Objectives	Performance Measures
<p>Conduct a training, technical assistance, and development (TTAD) needs assessment to identify priority areas, gaps in services, and variation in needs across ARI sites.</p> <p>____ meetings with providers (list those contacted)</p> <p>____ surveys conducted</p> <p>____ number of ARI sites represented</p> <p>____ priority TTAD need areas identified (select or group into consistent categories, e.g., CBT, trauma-informed care, data use, etc.)</p>	<ul style="list-style-type: none"> ➤ Number of stakeholders engaged in needs assessment activities (e.g., meetings, surveys). ➤ Number and percentage of ARI sites represented in needs assessment activities. ➤ Number and types of data collection methods used (e.g., surveys, interviews, document review). ➤ Summary of priority need areas identified, using defined and consistently applied categories.
<p>Plan and provide TTAD deliverables that respond to identified needs and site requests, including statewide, regional, and site-specific activities.</p> <p>____ All-Sites Summit</p> <p>____ regional trainings (at least two)</p> <p>____ technical assistance sessions</p> <p>____ other (describe: _____)</p> <p>____% of site requests addressed (describe how requests are defined and tracked)</p>	<ul style="list-style-type: none"> ➤ Number and types of TTAD activities delivered (e.g., training, technical assistance, coaching, convening), using standardized categories (required: 1 per quarter). ➤ Number of TTAD events conducted and total number of participants served (unduplicated where feasible), disaggregated by site. ➤ Percentage of ARI sites receiving TTAD services during the grant period. ➤ Percentage of site-identified needs or requests addressed within the grant period, with “requests” defined and tracked consistently.

____ TTAD service types provided (report using consistent categories, e.g., training, technical assistance, coaching, convening)	➤ Alignment between identified need areas and TTAD activities delivered (e.g., percentage of activities addressing top identified needs).
<p>Convene site training advisory group (TAG) comprised of site representatives and other stakeholders (required: 1 per quarter).</p> <ul style="list-style-type: none"> - ____ TAG meetings conducted - ____ sites represented - ____ others represented (describe: _____) 	<ul style="list-style-type: none"> ➤ Number of TAG meetings conducted during the grant period (required: 1 per quarter). ➤ Number and percentage of ARI sites represented across TAG meetings. ➤ Number and types of non-site stakeholders represented (e.g., service providers, system partners, individuals with lived experience), using defined categories.
Create and post TTAD calendar online.	➤ Date and place TTAD calendar posted.
Assess and demonstrate TTAD effectiveness by collecting and analyzing participant feedback and outcome data following trainings and technical assistance activities.	<ul style="list-style-type: none"> ➤ Number of participants engaged in TTAD activities. ➤ Number and percentage of participants completing evaluations. ➤ Percentage of participants reporting satisfaction. ➤ Percentage of participants reporting that TTAD activities were relevant and applicable to their work. ➤ Where feasible, results of pre/post assessments or follow-up evaluations measuring changes in knowledge, skills, or practice over time.
<p>Share assessment and evaluation results to ARI/ICJIA and as part of site feedback loop.</p> <ul style="list-style-type: none"> - ____ presentations/reports to ARI/ICJIA including ARIOB (describe: _____) - ____ presentations/reports to sites (describe: _____) 	<ul style="list-style-type: none"> ➤ Number of presentations/reports conducted during grant period. ➤ Types of presentations/reports.
Goal 2: Meet grant fiscal and reporting requirements.	
Submit required performance measurement data on quarterly basis in timely and accurate fashion.	➤ Percentage of timely and accurate performance measurement data submitted as directed by ICJIA in a format prescribed by ICJIA.
Submit required fiscal and other reports in timely and accurate fashion.	➤ Percentage of reports as required by ICJIA submitted on time with accurate information.

B. Funding Information

This funding opportunity is supported by state fiscal year 2027 ARI program funds.

1. Award period

Grant awards resulting from this opportunity will have a target performance period of July 1, 2026, to June 30, 2027. Additional funding support for up to 24 months of programming may be awarded after the initial funding period, contingent upon satisfactory performance and availability of funds. Funding support through this solicitation will not exceed 36 months.

2. Available Funds

A total of up to \$500,000 in funding is available through this solicitation. Up to three applicants will be selected to work with ARI grantees (approximately 30) statewide. A minimum of \$100,000 and a maximum of \$500,000 is available through this funding opportunity.

Agreements that result from this funding opportunity are contingent upon and subject to the availability of funds.

C. Eligibility Information

Before applying for a grant, all entities must be registered through the Grant Accountability and Transparency Act (GATA) Grantee Portal at www.grants.illinois.gov/portal. Registration and pre-qualification are required annually. During pre-qualification, verifications are performed including a check of federal SAM.gov Exclusion List and status on the Illinois Stop Payment List. The Grantee Portal alerts the entity alerts of “qualified” status or informs how to remediate a negative verification (e.g., missing UEI Unique Entity Identifier assigned in sam.gov, not in good standing with the Secretary of State). Inclusion on the SAM.gov Exclusion List cannot be remediated.

Failure to meet an eligibility criterion by the application deadline will result in the return of the application without review and will preclude ICJIA from making a State award.

Applicants are also required to submit a financial and administrative risk assessment via the GATA Grantee Portal, utilizing an Internal Controls Questionnaire (ICQ) for the current state fiscal year and obtain approval from their cognizant agencies before execution of the grant agreement. Delay in obtaining ICQ approval will result in a delay in grant execution.

1. Eligible Applicants

This funding opportunity is open to entities with expertise in providing training and technical assistance in topics at the intersection of public safety and public health in the adult criminal legal system. Up to three applicants will be selected to work with ARI grantees statewide. There are currently 28 sites in the ARI network.

This funding opportunity is open to a broad pool of applicants and not restricted by business type. This includes highly qualified applicants from public, private, nonprofit community-based organizations subject to 26 U.S.C. 501(c)(3) or 501(c)(4) of the tax code (26 U.S.C.

501(c)(3) or 26 U.S.C. 501(c)(4)). In addition to the above non-profit community-based organizations, eligible applicants include government organizations and educational organizations.

Applicants can include subawards and subcontracts. See Section D. 6. h. for an explanation of the difference. If proposing a subaward with a known entity, include the entity's name in the application and budget. If the entity is not known, a competitive process is required.

ICJIA will not review any application that fails to meet the eligibility criteria by application deadline. In addition, state awards will not be granted to applicants that do not meet eligibility requirements.

Applicants must be pre-qualified to do business with the State of Illinois.

2. Cost Sharing or Matching

There are no cost sharing or matching requirements connected to this funding opportunity.

3. Indirect Cost Rate

In order to charge indirect costs to a grant, the applicant organization must have an annually negotiated indirect cost rate agreement (NICRA).

There are three types of NICRAs:

- a) **Federally Negotiated Rate.** Organizations that receive direct federal funding, may have an indirect cost rate that was negotiated with the Federal Cognizant Agency. Illinois will accept the federally negotiated rate. The organization must provide a copy of the federally NICRA.
- b) **State Negotiated Rate.** The organization may negotiate an indirect cost rate with the State of Illinois if they do not have a Federally Negotiated Rate. If an organization has not previously established an indirect cost rate, an indirect cost rate proposal must be submitted through the GATA Grantee Portal no later than three months after receipt of a Notice of State Award (NOSA). If an organization previously established an indirect cost rate, the organization must annually submit a new indirect cost proposal through the GATA Grantee Portal within six months after the close of the grantee's fiscal year.
- c) **De Minimis Rate.** An organization that has never negotiated an indirect cost rate with the Federal Government of the State of Illinois is eligible to elect a de minimis rate of 10% of modified total direct cost (MTDC). Once established, the De Minimis Rate may be used indefinitely. The State of Illinois must verify the calculation of the MTDC annually in order to accept the De Minimis Rate.

All grantees must complete an indirect cost rate negotiation or elect the De Minimis Rate to claim indirect costs. Indirect costs claimed without a negotiated rate or a De Minimis Rate election on record in the GATA Grantee Portal indirect cost rate system may be subject to disallowance.

Limitations on indirect costs restrict the amount and/or type of indirect costs that are allowed to be charged to grant awards. Indirect cost limitations and restrictions must be clearly stated in this section. For example, the grant award may be subject to state and federal statutory requirements that limit the allowability of costs. The maximum amount allowable under a limitation cannot exceed the total amount under the NICRA. State and federal statutes may restrict the amount of salary that can be charged to a grant award, if the base salary exceeds the Federal Executive Level II Pay Scale. If additional statutory restrictions or limitations are imposed, such as parameters for direct administrative costs, facility costs, and indirect administrative cost levels, those restrictions or limitations must be stated in this section. The statutory reference or guidance imposing the indirect cost limitation or restriction must also be stated within this section.

Grantees have discretion not to claim payment for indirect costs. Grantees that elect not to claim indirect costs cannot be reimbursed for indirect costs. The organization must record an election to “Waive Indirect Costs” into the GATA Grantee Portal.

Indirect Cost election must be completed annually, for every entity’s fiscal year.

D. Application and Submission Information

1. Accessing Application Package

Paper copies of the application materials may be requested from Mary Ann Dyar by calling 312-793-8949; writing Mary Ann Dyar at ICJIA, 60 E. Van Buren, Suite 650, Chicago, Illinois 60605; via Telephone Device for the Deaf (TDD) 312-793-4170 or by email at CJA.AdultRedeployNOFO@illinois.gov.

Application materials **MUST** be submitted via the [AmpliFund](#) grant management system.

2. Content and Form of Application Submission

Applications and related materials must be submitted in AmpliFund.

To be considered for funding, applications must be completed and submitted via AmpliFund by the application deadline of **5:00 p.m. (CST), May 20, 2026**. ICJIA encourages applicants to review the videos listed on Section D7: *Requirements Prior to Submitting the Application* for more information on how to apply.

AmpliFund Upload Checklist:

- **Implementation Schedule**
- **Goals and Performance Metrics**
- **Budget and Budget Narrative (upload as Excel spreadsheet)** – using Excel spreadsheet template provided by ICJIA.

3. Unique Entity Identification Number (UEI) and System for Award Management (SAM)

Applicants are required (unless the applicant is an individual or Federal or State awarding agency that is exempt from those requirements under 2 CFR § 25.110(b) or (c), or has an exception approved by the Federal or State awarding agency under 2 CFR § 25.110(d)) to:

- a) Be registered in SAM before submitting its application with a UEI assigned. To establish a SAM registration, go to www.SAM.gov.
- b) Always continue to maintain an active SAM registration with current information during an active award, application or plan under consideration by ICJIA.

ICJIA may not issue a grant award until the applicant has complied with all applicable SAM requirements, if an applicant has not fully complied with the requirements by the time ICJIA is ready to make an award, ICJIA may determine that the applicant is not qualified to receive a grant award.

4. Submission Dates, Times, and Method

Completed application materials must be received by and in possession of the AmpliFund grant management system by 5:00 p.m. (CST), May 20, 2026, to be considered for funding. Applications must be submitted via [AmpliFund](#). Upon receipt, an automated confirmation will be emailed. Proposals will not be accepted by email, mail, fax, or in person. AmpliFund will not permit late submissions. Agencies are encouraged to submit their applications 24-72 hours in advance of the deadline to avoid unforeseen technical difficulties. Technical difficulties with the grant management system should be reported immediately to ICJIA at CJA.AdultRedeployNOFO@illinois.gov.

5. Application Questions

Questions may be submitted via email at CJA.AdultRedeployNOFO@illinois.gov. The deadline for submitted questions is 5:00 p.m. (CST) on May 14, 2026. All substantive questions and responses will be posted on the ICJIA website at <https://icjia.illinois.gov/gata> and on the [AmpliFund](#). Due to the competitive nature of this solicitation, applicants may not discuss the opportunity directly with any ICJIA employee other than via this email address: CJA.AdultRedeployNOFO@illinois.gov.

6. Funding Restrictions

- a) Federal Financial Guide. Applicants must follow the current edition of the Department of Justice Grants Financial Guide which details allowable and unallowable costs is available at: https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf. Costs may be determined to be unallowable even if not expressly prohibited in the Federal Financial Guide.
- b) Prohibited Uses. The following is a non-exhaustive list of services, activities, goods, and other costs that cannot be supported through this NOFO:

- Land acquisition
- New construction
- A renovation, lease, or any other proposed use of a building or facility that will either result in a change in its basic prior use or significantly change its size
- Minor renovation or remodeling of a property either listed or eligible for listing on the National Register of Historic Places or located within a 100-year flood plain
- Implementation of a new program involving the use of chemicals
- Capital expenditures
- Fundraising activities
- Most food and beverage costs
- Lobbying

c) Allowable expenses. All expenses must reasonable, necessary, and allocable to the program. The following is a non-exhaustive list of services, activities, goods, and other costs that can be supported through this NOFO:

- Personnel
- Training
- Travel
- Program supplies
- Behavioral health services
- Mental health treatment
- Substance use disorder treatment
- Participant assistance (e.g., transportation, housing, educational/vocational training, vital records, legal aid)
- Participant incentives
- Data collection and analysis
- Program evaluation
- Vehicles (only for government agencies)

d) Pre-Award Costs. **No costs incurred before the start date of the grant agreement may be charged to awards resulting from this funding opportunity.**

e) Pre-approvals. Prior approvals may affect project timelines. Submission of materials for ICJIA approval should be incorporated into the application Implementation Schedules. ICJIA may require prior approval of the following:

- Out-of-state travel
- Certain Requests for Proposals, procurements, and sub-contracts
- Conference, meeting, and training costs

f) State Travel Guidelines. travel costs charged to ICJIA must conform to State Travel Guidelines, found here:

<https://www2.illinois.gov/cms/Employees/travel/Pages/TravelReimbursement.aspx>. Out-of-state hotel rates are based on the General Service Administration (GSA) guidelines found here: <https://www.gsa.gov/travel/plan-book/per-diem-rates>. Applicant agencies with lower cost travel guidelines than the State of Illinois must use those lower rates.

- g) Supplanting. Grant funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. If grant funds will be used for the expansion of an existing program, applicants must explain how proposed activities will supplement, not supplant, current program activities and staff positions. Agencies may not deliberately reduce local, federal, state funds, or other funds because of the existence of these grant funds. A written certification may be requested by ICJIA stating that these funds will not be used to supplant other state, local, federal, or other funds.

Supplanting will be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in local, not state or federal, resources occurred for reasons other than the receipt or expected receipt of the state funds.

- h) Proposed Subawards and Subcontracts. Applicants may propose to enter into subawards or subcontracts under this award, each of which involve different rules and applicant responsibilities. A subaward carries out a portion of the grant agreement while a contract is often for obtaining goods and services for the grantee's own use. (44 Ill. Admin Code 7000.240). If a third party will provide some of the essential services or develop or modify a product that the applicant has committed to provide or produce, ICJIA may consider the agreement with the third party a subaward for purposes of grant administration.

Applicants must classify each expense in the contractual budget as a subaward or subcontract. The substance of the agreement, not the title or structure of the agreement, will determine whether it is a subaward or a subcontract. Applicants are advised to use the “Checklist for Contractor/Subrecipient Determinations” available at the GATA Resource Library for guidance:

<https://www.illinois.gov/sites/gata/pages/resourcelibrary.aspx>.

Applicants are required to justify their use of subawards and explain their capacity to serve as “pass-through” entities in the program narrative. Applicants will monitor subaward compliance with grant terms, applicable federal and state law including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Award, 2 C.F.R. Part 200, GATA, and ICJIA policies. Proposed subawards must be identified, if possible, and their roles described in both the program and budget narratives.

For procurement contracts, applicants are encouraged to promote free and open competition in awarding contracts. All subcontracts must comply with federal and state requirements.

During Year One of the three-year funding opportunity, selected grantees will be required to conduct a competitive bidding process or other competitive procurement method for the selection of subcontractors and subrecipients in accordance with applicable federal and state procurement standards. Subawardees that are named in Year One of the NOFO application by the selected grantee will not be required to submit an application through the competitive process, provided the grantee documents and justifies the selection and maintains sufficient procurement records to demonstrate compliance for monitoring and audit purposes.

7. Requirement Prior to Submitting the Application

1. All Applicants must register their organization at the Illinois Grant Accountability and Transparency Act (GATA) Grantee Portal: <https://grants.illinois.gov/portal/>.
2. To submit an application, approved individuals for an organization must be a registered via the GATA Grantee GATA Portal and identified as an AmpliFund user.

Applicant Technical Assistance Recording.

Applicants are advised to view the technical assistance recordings prior to application submission. The technical assistance recording for this NOFO will be posted to the ICJIA YouTube channel by 5:00 p.m. (CST) on April 20, 2026.

E. Application Review Information

1. Criteria

Application materials must address all components of this NOFO and demonstrate both a need for the program and an ability to successfully implement the program. Evaluation criteria must include at a minimum the following criteria categories:

- Need: Identification of community partners, facts and evidence that demonstrate the proposal supports the grant program purpose.
- Capacity: The ability of an entity to execute the grant project according to project requirements.
- Quality: The totality of features and characteristics of a service, project or product that

indicated its ability to satisfy the requirements of the grant program.

- Other: Societal impact, economic impact, cost effectiveness, sustainability, and grant specific criteria.

Reviewers will score applications based on completeness, clear and detailed responses to program narrative questions, and inclusion of all mandatory program elements as well as past performance history and/or financial standing with ICJIA. The applicant must demonstrate that costs are reasonable, necessary, and allowable.

The total number of points available is 100. Minimum score for funding is 70.

Scoring Criteria		Possible Points
Summary of the Program:		10
<ul style="list-style-type: none"> • Provides brief, stand-alone description (5,000 characters maximum) of proposed TTAD plan (including applicant name and experience, proposed training topics and methods, process to gather site input, process to evaluate TTAD, proposed cost). 		10
Statement of the Problem:		10
<ul style="list-style-type: none"> • Includes plan to assess current TTAD landscape and identify gaps in substance, accessibility, etc. 		5
<ul style="list-style-type: none"> • Discusses efforts to collaborate with other TTAD providers to fill gaps and prevent duplication. 		5
Project Implementation:		40
<ul style="list-style-type: none"> • Includes detailed outline of proposed TTAD plan, including potential topics covered and methods used. Implementation schedule includes annual all-sites summit, quarterly regional trainings, and site one-on-one technical assistance/coaching. 		20
<ul style="list-style-type: none"> • Describes authentic, robust, and ongoing process to gather input and engage stakeholders and clients. 		10
<ul style="list-style-type: none"> • Demonstrates how proposed activities align with and advance ARI mission, vision, and values including equity. 		5
<ul style="list-style-type: none"> • Describes assessment or evaluation tool(s) to gauge training effectiveness and participant satisfaction, and how information will be used and reported. 		5
Project Management:		20
<ul style="list-style-type: none"> • Details subject matter expertise and previous experience in conducting training and technical assistance including conferences. 		10
<ul style="list-style-type: none"> • Describes subcontractor partnerships to support subject matter expertise, and responsibilities (if applicable). 		5
<ul style="list-style-type: none"> • Describes organizational capacity and staff responsible for all aspects of implementation and required grant management and reporting. 		5
Goals and Performance Metrics:		10
<ul style="list-style-type: none"> • Indicates how objectives will be accomplished and measured using clearly defined, consistent, and reportable performance measures. 		5

<ul style="list-style-type: none"> Demonstrates capacity and commitment to measure, track, and report performance data in a consistent manner that supports analysis across sites and over time. 	5
Budget Detail:	10
<ul style="list-style-type: none"> Demonstrates cost-effectiveness in relation to the proposed activities. 	5
<ul style="list-style-type: none"> Includes complete narratives for all line items, clearly detailing how the applicant arrived at and calculated the budget amounts. 	5
Total Possible Points	
100	

2. Review and Selection Process

All applications will be screened for completeness including GATA pre-qualification. Applications that are not complete will not be reviewed.

Proposals that pass the screening and eligibility process will be reviewed by a scoring panel which may consist of ICJIA staff, including ARI staff, members of the ARI Oversight Board's working committees, and external reviewers. All reviewers will review and submit any conflicts of interest.

ICJIA reserves the right to reject incomplete proposals, proposals that include unallowable activities, proposals that do not meet eligibility or program requirements, and proposals that are otherwise unsatisfactory. ICJIA may invite applicants to answer clarifying questions and modify budgets that include unallowable or unreasonable costs. NOFO application budgets will be reviewed for allowability, completeness, and cost-effectiveness. ICJIA will perform an in-depth budget review of all grants awarded and may require budget modifications that do not materially change the nature of the program.

Review team scores will be forwarded to the Outreach, Technical Assistance & Communication Committee for review and the development of funding recommendations to the ARI Oversight Board for final approval. Funding recommendations will be based on an evaluation of compiled scores from the scoring panel, including consideration of experience; overall cost; alignment with ARI mission, vision and values; past performance history and financial standing with ICJIA (if applicable).

Funding recommendations from the Outreach, Technical Assistance & Communication Committee will form the basis of grant decisions with the approval and authorization of the ARI Oversight Board. Applicants will be notified of the ARI Oversight Board's decision.

Successful applicants will receive notice to initiate the grant agreement phase. During this phase, you will be contacted by a grant specialist to develop a grant agreement, which can be a months' long process depending on complexity, cooperation, and conformity with all applicable federal and state laws. ICJIA reserves the right to issue a reduced award, or not to issue any award if it is in ICJIA's best interest to do so. Successful applicants whose applications contained unallowable or unreasonable costs may have their awards reduced by

the total amount of those costs. Upon applicant acceptance of the grant award, announcement of the grant award shall be published by ICJIA to the GATA portal.

3. Anticipated Announcement and State Award Dates

Task	Date
NOFO & Technical Assistance Recording posted	April 20, 2026
NOFO question submission deadline	May 14, 2026
Applications due	5:00 p.m. (CST), May 20, 2026
ARI Oversight Board review/approval of recommended designations	June 2026
Performance Period	July 1, 2026, to June 30, 2027

4. Appeal Process

Unsuccessful applicants may request a formal appeal of the evaluation process. Evaluation scores and funding determinations may not be contested and will not be considered by ICJIA's Appeals Review Officer. The appeal must be via AmpliFund and submitted within 14 calendar days after receipt of a Funding Opportunity Declination Letter from ICJIA. The appeal must include, at a minimum, the following:

- Statement indicating a request for a formal appeal
- Name and address of the appealing party
- Identification of the grant program
- A statement of reason for the appeal

The appeal will be sent to:

Appeals Review Officer
Illinois Criminal Justice Information Authority
CJA.ARO@Illinois.gov

Once an appeal is received, ICJIA will acknowledge receipt of an appeal. ICJIA will respond to the appeal, in writing, within 60 days or explain why more time is required. ICJIA will resolve the appeal by a written determination, which will include:

- Review of the appeal.
- Appeal determination.
- Rationale for the determination.
- Standard description of the appeal review process and criteria.

5. Debriefing Process

Unsuccessful applicants may request a debriefing for feedback to improve future applications. Debriefings include written advice on the strengths and weaknesses of applications using the evaluation and review criteria.

Requests for debriefings must be made via email and submitted within seven calendar days after receipt of notice. Debriefing requests will not be granted if there is an active appeal, administrative action, or court proceeding. The written debriefing requests shall include:

- The name and address of the requesting party.
- Identification of grant program.
- Reasons for the debrief request.

Please send requests to:

Mary Ann Dyar
Illinois Criminal Justice Information Authority
CJA.AdultRedeployNOFO@illinois.gov

6. Other

The following requirements and disclaimers apply to all applications submitted for consideration under this NOFO.

- ICJIA reserves the right to withdraw funding for awards subsequent to the award offer but prior to grant agreement execution if it is in ICJIA's best interest to do so.
- ICJIA reserves the right to reject any or all applications received and/or negotiate or cancel in part or in entirety grants resulting from application awards if it is in ICJIA's best interest to do so.
- ICJIA reserves the right to withdraw a commitment for funds where special grant conditions have not been satisfied within 90 days after the date of the Notice of State Award Finalist, or at the discretion of ICJIA if it is determined the project will not progress.
- ICJIA reserves the right to establish the amount of grant funds awarded, raise the individual grant ceilings, and to shift funds from one component funding area to another. ICJIA further reserves the right to award funds to the next highest rated applicant(s) for any component should funds become available due to de-obligations, etc.
- ICJIA reserves the right to deny funding when submitted applications involve Applicants or awardee with serious unresolved monitoring or audit findings related to performance. In addition, funding may be withdrawn for any applicant or awardee that has not completed required audits and/or becomes not pre-qualified subsequent to the award but prior to grant agreement execution.
- Proposed projects supplied in the grant application submitted for funding must not be changed or modified prior to grant award.

F. Award Administration Information

1. State Award Notices

The ARI Oversight Board is scheduled to review and approve designations in June of 2026.

2. Administrative and National Policy Requirements

In addition to implementing the funded project consistent with the approved project proposal and budget, agencies selected for funding must comply with applicable grant terms and conditions and other legal requirements, including the [Illinois Crime Reduction Act of 2009 \(Public Act 96-0761\)](#), GATA, and the U.S. Department of Justice Grants Financial Guide.

Additional programmatic and administrative special conditions may be required.

3. Reporting

Recipients must submit periodic financial reports, periodic performance reports, final financial and performance reports, and, if applicable, an annual audit report in accordance with the 2 CFR Part 200 Uniform Requirements. Future awards and fund drawdowns may be withheld if reports are delinquent.

G. State Awarding Agency Contact(s)

For questions and technical assistance regarding application submission, contact:

Mary Ann Dyar
Illinois Criminal Justice Information Authority
Phone: 312-793-8949
Fax:
CJA.AdultRedeployNOFO@illinois.gov

H. Other Information

The Illinois Criminal Justice Information Authority (ICJIA) is a state agency dedicated to improving the administration of criminal justice. ICJIA brings together key leaders from the justice system and the public to identify critical issues facing the criminal justice system in Illinois, and to propose and evaluate policies, programs, and legislation that address those issues. The statutory responsibilities of ICJIA fit into four areas: grants administration; research and analysis; policy and planning; and information systems and technology.

Section 7 of the Illinois Criminal Justice Information Act grants ICJIA authority “to apply for, receive, establish priorities for, allocate, disburse, and spend grants of funds that are made

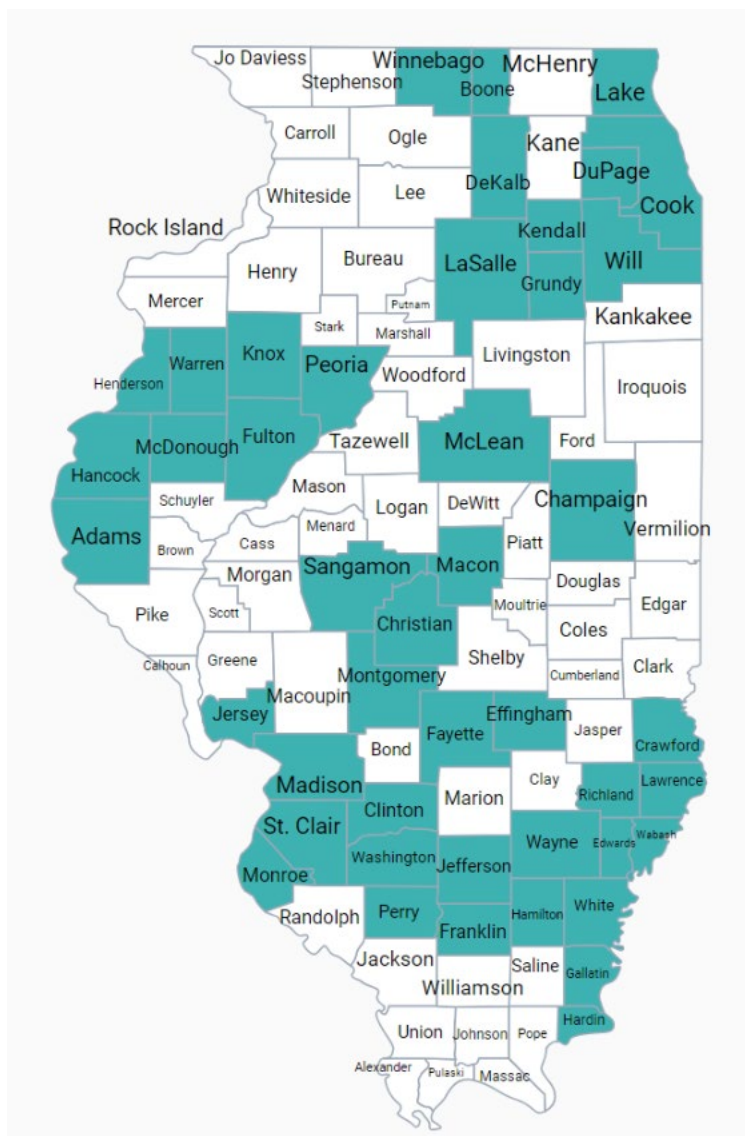

available by and received on or after January 1, 1983 from private sources or from the United States pursuant to the federal Crime Control Act of 1973, as amended, and similar federal legislation, and to enter into agreements with the United States government to further the purposes of this Act, or as may be required as a condition of obtaining federal funds” and “to receive, expend, and account for such funds of the State of Illinois as may be made available to further the purposes of this Act.” (20 ILCS 3930/7(k), (l))

Neither the State of Illinois nor ICJIA are obligated to make any award as a result of this announcement. The ICJIA Executive Director or designee has sole authority to bind ICJIA to the expenditure of funds through the execution of grant agreements.

This application is subject to the Illinois Freedom of Information Act (FOIA). Any information that the applicant believes should be exempt under FOIA should clearly highlight the information that is exempt, and the basis of the exemption.
