RESPONSE TO APPLICANT QUESTIONS

Friday, October 20 – Thursday, October 26, 2023

Question

Thank you, and we were not able to download that budget form that we are hoping to use at guidance. Could you please send that via email to us?

Answer

Thanks for following up and allowing me to clarify. Prior to submitting the application, the application and responses, including the budget, can be downloaded once the application is complete in Amplifund.

Once downloaded, the completed application and budget information can be reviewed and referenced allowing you to make any revisions before submitting the application. Completed applications must be submitted by the due date and time.

I apologize for the confusion.

Question

Can you please email a copy of the Excel spreadsheet outlined in Section D Question 2 of the NOFO? I was not able to find this document for download (there is only a pdf on Amplifund).

Answer

Thanks for reaching out. All applications, including the budget section, must be completed within Amplifund. The downloadable budget form is provided for guidance and reference purposes.
