Question

Is there a Live Scan Grant for local agencies to apply for. I noticed ICJIA was looking for a lead entity to manage the grant funds awarded, so we as subgrantees could apply. Our agency is in need of a new Live Scan equipment.

Response

Through this funding opportunity ICJIA is seeking a lead entity that will manage subgrants to Illinois justice system agencies for live scan fingerprinting equipment.

The lead entity who is selected via this NOFO will then solicit applications directly from Illinois justice system agencies who wish to procure live scan equipment. ICJIA is only seeking applications for the lead entity at this time.

Last day for question submission is 5:00 p.m. CST, March 12, 2024.
