Administrative Costs for Budget and Budget Narrative

NEW Lead entity applications must include all associated administrative costs, including indirect costs, in the proposed budget/budget narrative. Administrative costs are capped at a maximum of **5% of the award or budget for VOCA**. All costs must be **directly** related to the administration of the proposed program and may include:

- Personnel and fringe costs for direct supervision of program activity as listed in application
- Associated travel
- Supplies
- Training and certification for program staff
- Indirect costs

All costs must be included on the Excel budget with a detailed explanation of the cost and the relationship to the administration of the program included in the budget narrative.
